REMARKS

On page 2 of the final Action of March 16, 2010, claims 11-15 and 19-20 were rejected under 35 U.S.C. 112, second paragraph. On page 3 of the final Action, claims 11-15 were rejected under 35 U.S.C. 103(a) as being unpatentable over Tanizawa in view of Grilliot. However, on page 4 of the final Action, it was indicated that claim 20 would be allowable if rewritten to overcome the rejection under 35 U.S.C. 112, second paragraph and to include all of the limitation of the base claim.

In view of the rejections and indication of allowability, claim 20 has been canceled, and the subject matter of claim 20 has been incorporated into claim 11.

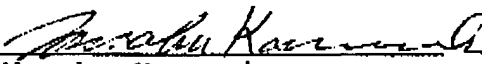

Also, the "lower end" of the front eave portion has been changed to the "front lower edge" of the front eave portion. Also, the "top end" of the visor portion has been changed to the "rear top edge" of the visor portion.

It is believed that the above amendments obviate the rejection under 35 U.S.C. 112, second paragraph. If, however, any further amendment is required or appropriate, please contact the undersigned agent.

Reconsideration and allowance are earnestly solicited.

Respectfully Submitted,

KANESAKA BERNER & PARTNERS
